SEVENTH YEAR.

MAYSVILLE, KY., THURSDAY, JULY 27, 1893.

ONE CENT.

## Purely Business!

The columns of a newspaper represent a cash value. No publisher is so foolish as to give advertising "notions" free any more than a merchant can afford to give his goods free of any price. A newspaper is a business, and its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

## A Continuation of Our \$7.65 SUIT SALE

We will continue to sell \$10, \$12 and \$15 Suits for \$7.65 during this entire month. There are two reasons for this. One is that we find we have many more good suits to put in this sale than we thought we had. The other reason is that our many country patrons are in the midst of the heaviest work of the year and did not have an opportunity to avail themselves of these splendid bargains; hence, the sale continues during the month. Don't miss the opportunity of buying for \$7.65 a suit of clothes that would cost you \$12 to \$15 elsewhere, and at these prices you would not pay too much for them; they are worth it.

Respectfully,

**HECHINGER & CO.**  
LEADERS IN FINE CLOTHING AND SHOES.

For the next week we will offer thirty per cent. a rare change in Dress Goods buying. All of our great stock of Henriettes, Serenades, Corsets, Petticoats and chemises in black and colors and all novelty goods subject to a discount of 20 per cent. If you buy now it means a clear saving of 40 per cent. Extra duty on wool, wax, etc., mean an advance of 25 per cent. on woolen goods next fall. Besides, our Dress Goods prices are always under others. This is a rare opportunity for the prudent buyer. It's entirely our loss and your gain. But we want the stuff now and no misadventure follows.

## Some More Ribbon Bargains.

Another great railroad system will in a few years more be added to the cable wealth of Clark county. The Kentucky Central Railroad was built early in the eighties, instead of asking for help it asked to be exonerated from taxation for twenty years. This term will expire in 1900 when about one third of a million dollars worth of property will be added to the tax list of that county. This will bring the value of railroad property up to \$500,000 or \$1,000,000.

The Adams Express Company has filed suit in the Federal Court at Frankfort against the state of Kentucky, seeking to enjoin the collecting of franchise taxes in this state. The Board of Assessment and Valuation last week assessed their franchise, which is understood to have been placed at about \$400,000, in addition to the general property which is assessed by the local authorities in each county. The petition asks that the Auditor be enjoined from collecting the taxes on this franchise, alleging that the franchise tax law in this state is a violation of Interstate Commerce, and also that the Board of Assessment and Valuation is given judicial powers under it.

**Fremont Park.**  
What would the people seeking amusement have paid? Fremont had opened? 35 cents at the lowest calculation. Now, for this reason Fremont is a public benefactor. The raucous raucous is continuing to draw his crowds, and the change in acts, etc., has caught them. Come out tonight and be among the spectators. It will cost you but a dime, 10 cents. A large and delighted audience enjoyed the well balanced program at this popular resort last night. Tonight there will be a change in the program. A new opening farce will be presented, while the troupe will have something to set in conjunction with their respective acts. The comedy and the farce will be a most laughable and it is without doubt one of the best things ever seen here. Mr. P. K. Kinnison is a rare comedian and his facial expressions are unequalled. Her J. D. Reed, in most beautiful language, uttered the words which sealed and made sacred the vows of two young lovers.

The many friends of this worthy young couple wish them a full share of all the blessings in God's store of peace, happiness and prosperity.

They will be "at home" to their many friends at the home of the groom's father for the present.
